Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 4, 1996

SUBJECT: **SB 2578 - HB 3215**

This bill, if enacted, will change the time frame for the mailing and return of sex offender registrant reports by the TBI from 90 days to 180 days. Sex offenders will have 20 days rather than 10 days to return the forms. The bill also provides that primary responsibility for the investigation of sex offender reporting will be with the sheriff's department of each county or the police department.

The fiscal impact from enactment of this bill is estimated to be a decrease in state expenditures; however, the amount of such decrease is estimated to be not significant.

Enactment of this bill is also estimated to result in an increase in local government expenditures; however, the amount of such increase cannot be determined but is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
